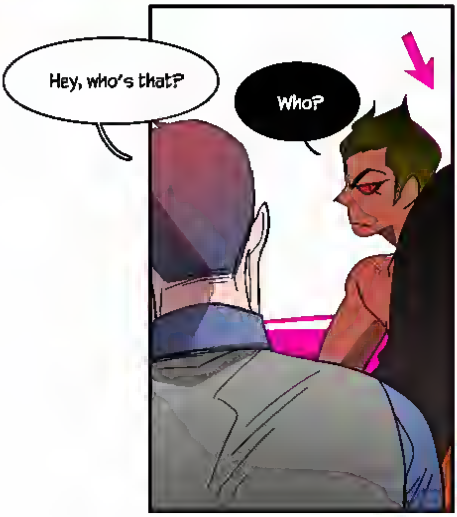
What? What's the problem?

Welcome.
What? Huh? What did I do?

Are you guys bullying me again? What were you planning without me?
You are so-o-o naive.



Hey, who's that?
Who?

Oh. I picked him up on the way here.
Turn
?!

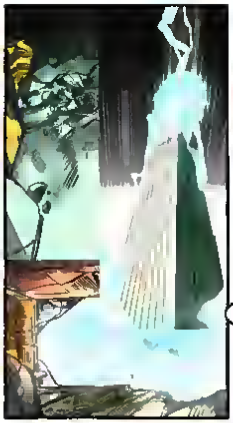
HEAVEN
OH.MY GOD!

I'm sorry.

Now, now. Don't feel too guilty.
Zeus attacked us at full strength; it's our fault for underestimating him.
But I couldn't save the girl.
It's all broken...
But first, we should figure out why Zeus wants her in the first place.
Don't let it get you down, Moses.
If you fought like that against Hermes, you gave your best.
Uh, sir...? Did that bastard do that to you?
I'll go kill hi...
No, this is from someone else.
Flinch

A...ANYWAYS, WHY DON'T WE GO AND JUST KICK THEIR ASSES?
THEY ATTACKED US TOO!
Don't be too rash.
Think about it - they're literally opening their gates for us. Don't you think it's a trap?
I don't care what this mummy did, but I'm fully against walking into an ambush.
100%.
HEY! I'M YOUR CEO. HOW ABOUT A LITTLE RESPECT?
But we can't just let them get away with it.
Also, what about that human girl?

Yeah! We gotta avenge this dude too.
Don't bring me into this.
I know I shouldn't say this, but couldn't we have avoided this thing?
I mean
If King Tut here was just a little nice to Zeus...
ALL RIGHT, THAT DOES IT!
TELL ME, WHO LEFT ME ALONE BECAUSE OF HIS WIFE!?
WHAT DOES THAT HAVE TO DO WITH ANYTHING!?
rip
P.ower!



UNFAITHFUL, MY ASS!

LOOK AT EVERYONE!

LOOK AT MOSES!

Why are you bringing me into this!?

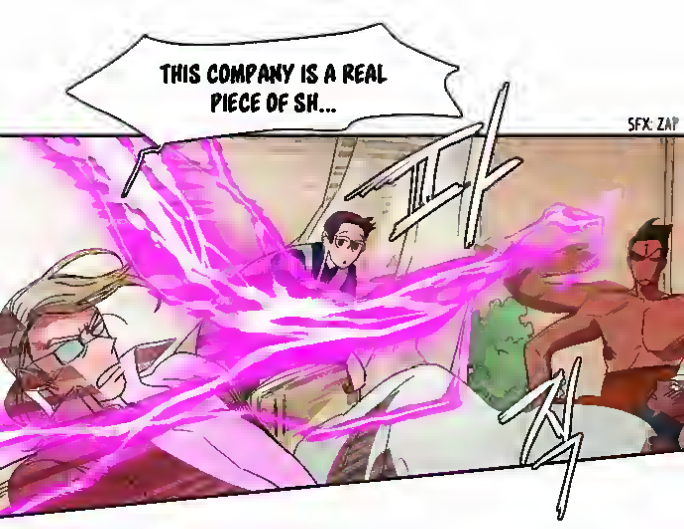
WE GOT ABSOLUTELY HUMILIATED!

Well. I couldn't help it. My son called.

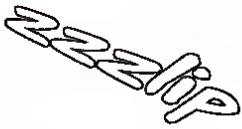
Please! Don't break anything.

YEAH, RIGHT. THIS GUY IS BLAMELESS! LOOK WHAT HAPPENED!

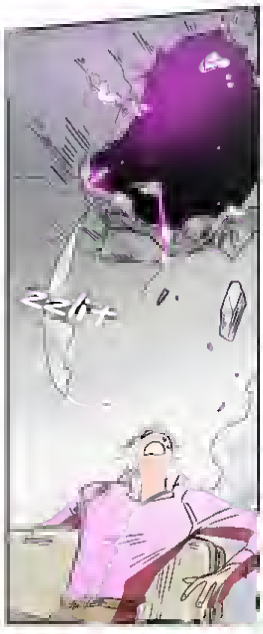
HE'S SHOWING EXACTLY WHY THE COMPANY IS FALLING APART!



THIS COMPANY IS A REAL PIECE OF SH...
SFX: ZAP



zzzlip



zzht

WHAT WAS THAT FOR!?
TO GET YOUR GODDAMN ATTENTION!
LET'S JUST GO KICK THEIR BUTTS!

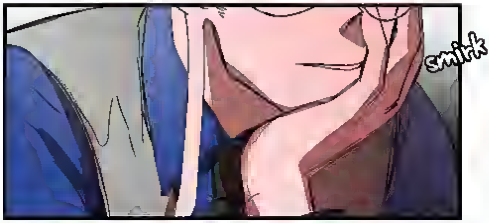
YOU GUYS ARE JUST FIGHTING AMONGST YOURSELVES!

AFTER A SINGLE ATTACK, ACTING LIKE PUSSIES!

WHAT DID YOU SAY?!
YOU REALLY NEED TO WATCH YOUR GODDAMN MOUTH!
I'll watch my mouth once we bust into their place!
I agree. You need to watch your language, mister.

Man, look how pathetic you are. You're the CEO and you took the worst beating of us all. And then you couldn't even lay a finger on them.

You know what? I'll take you on for warm up



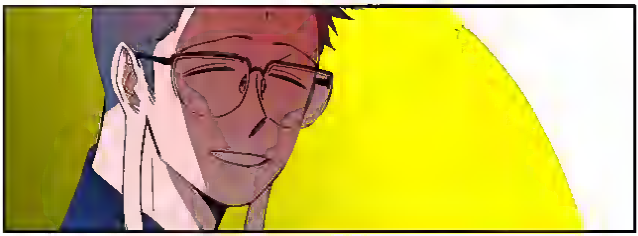
Now, now.
This isn't like us.
Let's simmer down now.
카아아
Ughhh
I'LL RIP OUT YOUR OTHER EYE! YOUR ANTENNA HAIR TOO!
SFX: AHHHHH!
AN.. ANTENNA?
HEY, KNOW WHAT? I'LL RIP OFF TWO OF YOUR ARMS SO YOU LOOK NORMAL!
JUST TAKE YOUR EYES AND DIVIDE THEM EQUALLY! BOOM, YOU GUYS WILL BOTH LOOK NORMAL!
HOW STUPID ARE YOU?! DO YOU CALL YOURSELF A GOD?!

Stupid? Stupid??
Did you just call your CEO stupid?

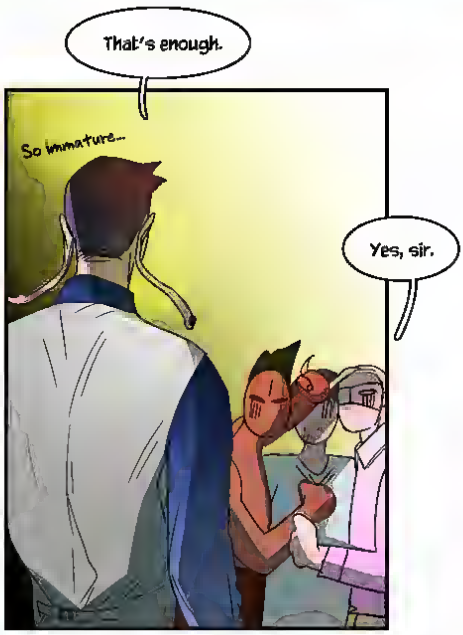
AS A MATTER OF FACT I DID, STUPID!

I CAN PUT UP WITH A LOT OF THINGS, BUT I CAN'T STAND BEING CALLED STUPID BY SOMEONE LIKE YOU!

WHY NOT? YOU SURE PUT UP WITH ZEUS'S PUNISHMENT!

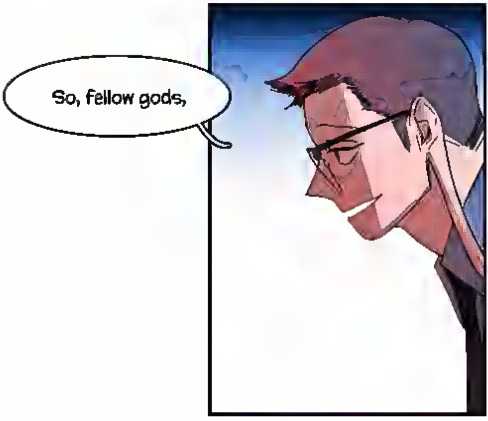


Glo
ry!

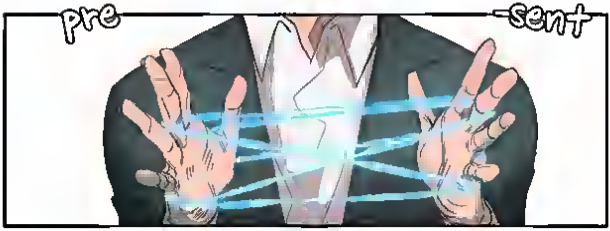


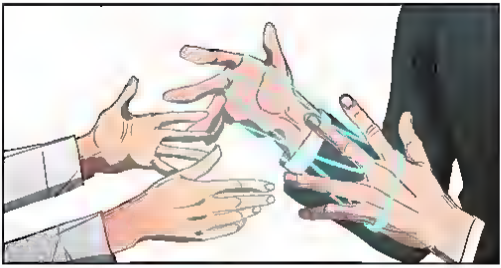
That's enough.
So immature...
Yes, sir.

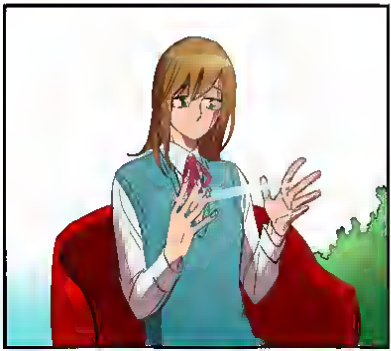
Thank you, Mr. Buddha.
Ha-ha.
There's no point fighting amongst ourselves. We need to do something.
Either take back the girl or bring down the apocalypse.
It's funny you never work, CEO, yet there's so much to do.
Bad luck, I guess.



...what shall we do?

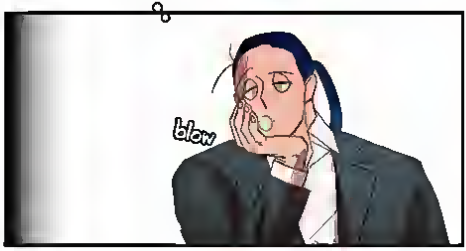




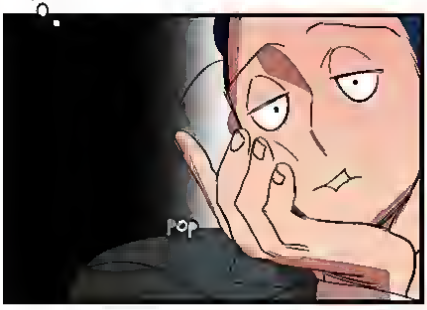


White hole, huh? Gee, I dunno.

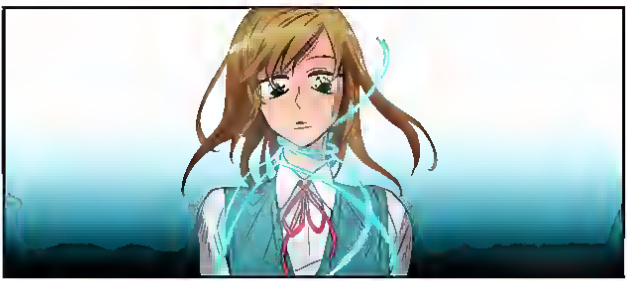
What am I? A babysitter?



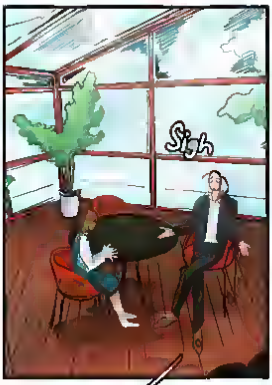
This is tedious. Can't I just kill her?



SFX. SLITHER

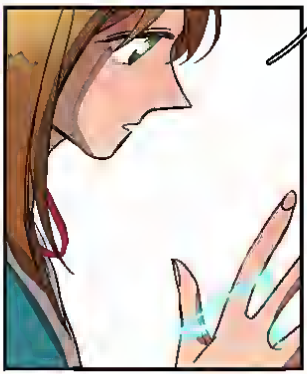


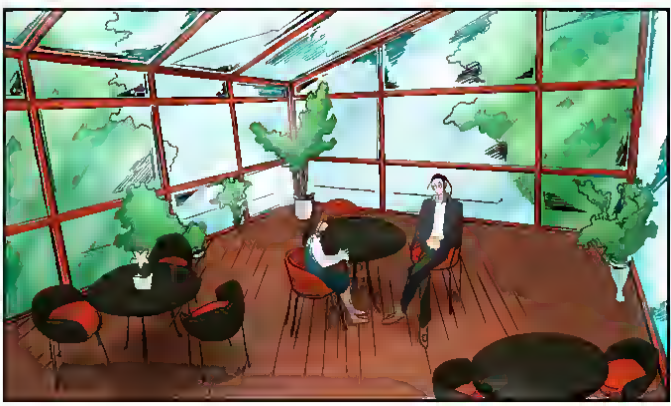
How are you so calm?



Shouldn't you be like... you know, scared or something?

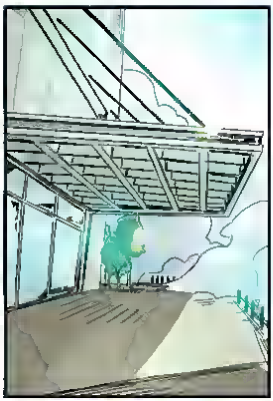
It's just a dream.

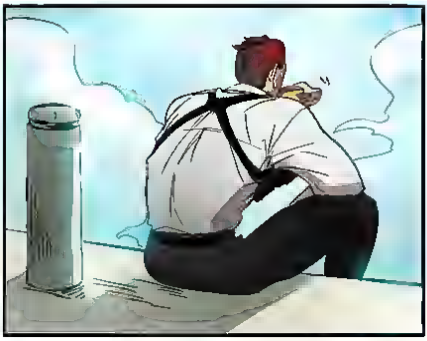




Dream?
Yesterday, I thought I was going to die or something. But this is just too ridiculous.
I think I'm too stressed out.

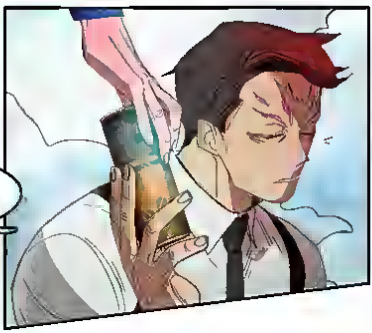
Hey, Human.



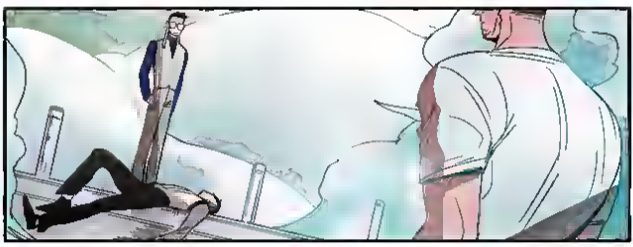


Yo, Mr. Argos,
is it break time?

Oh, thank you.
I'm just about to eat.
I'm starving.



But,
who are yo...?



There's a rumor we're headin'

Widespread death and alarm.

If you learn it's all true,
Just what would you do?

Just give it to her.

Unless you want to see the world end, it's best to hand it over.

Well, I might not be a fighter, but I'm certainly more experienced than you.
Isn't it obvious?
So you got caught on purpose.

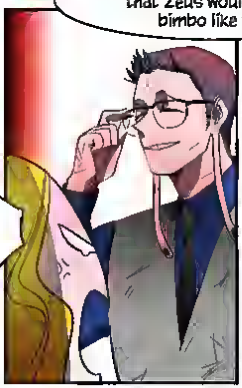
Well, with Cupid gone, I guess your little game is over.

I was pretty surprised that Zeus would send a bimbo like you.



WHO ARE YOU CALLING A BIMBO!?

And we never dated.

It was all your imagination.

Are you still using Cupid to collect men for you?

NO! I DO NOT COLLECT MEN! I NEVER HAVE!

Oh really?

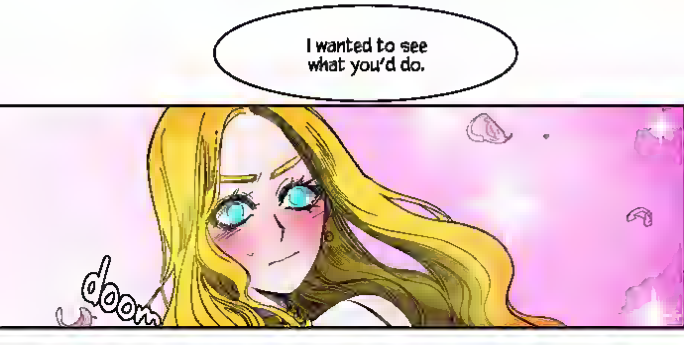
YOU'RE JUST MAKING FUN OF ME, AREN'T YOU!?

Not really, I was just curious.



I wanted to see what you'd do.

OH.MY GOD!

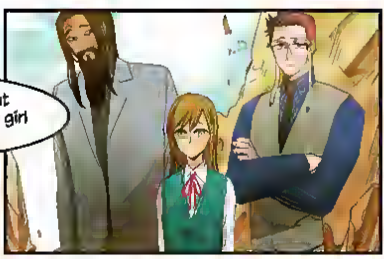
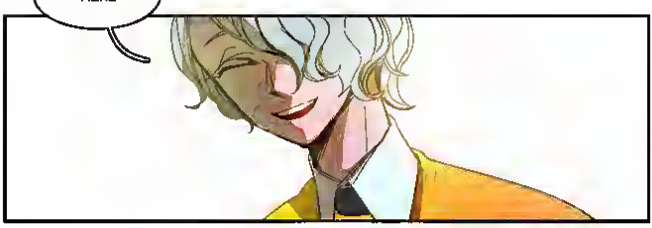
I don't think you guys know this, but it really doesn't make a difference whether you have the girl or not.

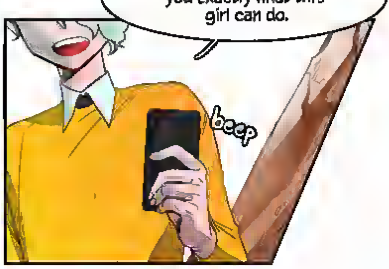
I'm going to assume that you're planning to take the girl back with you right?

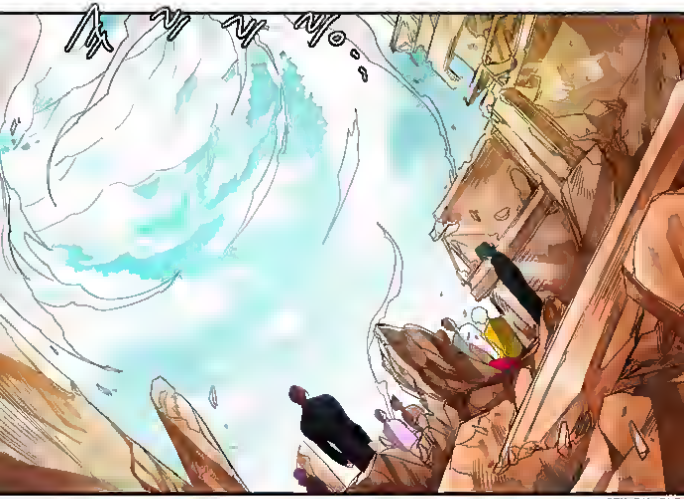


Haha

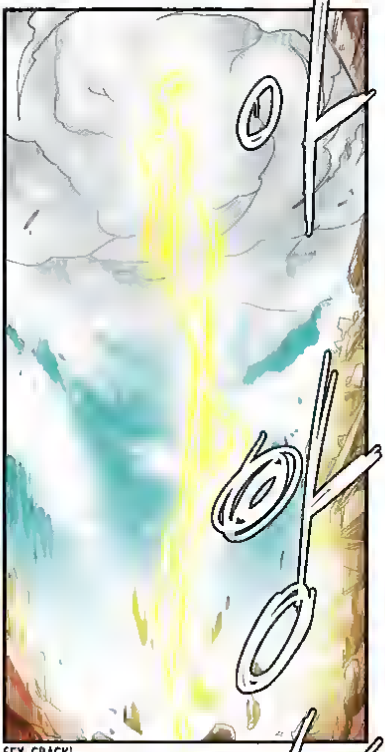


Let me show you exactly what this girl can do.

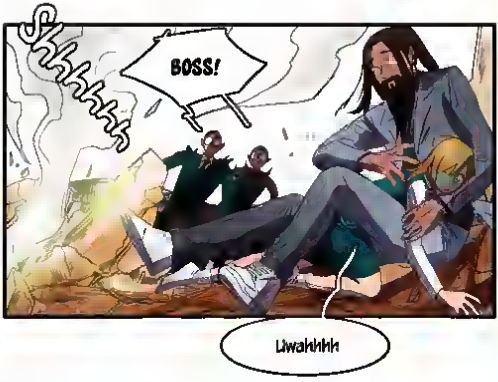




SFX. RUMBLE

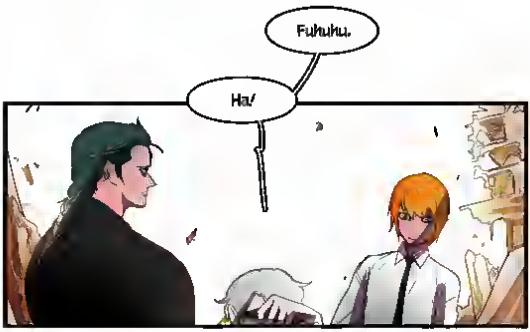


SFX: CRACK!

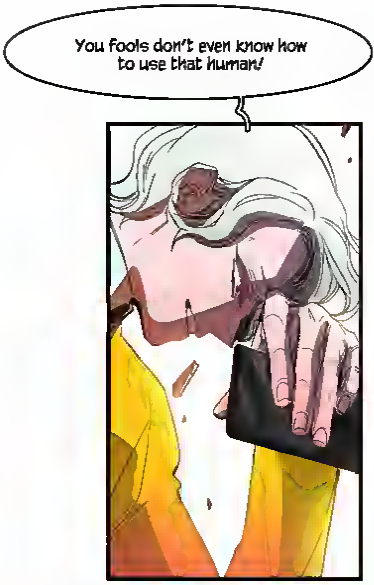


Shhhhh
BOSS!
Uwahhhh

Put her back inside the car.
We can hold him off.
Will do.



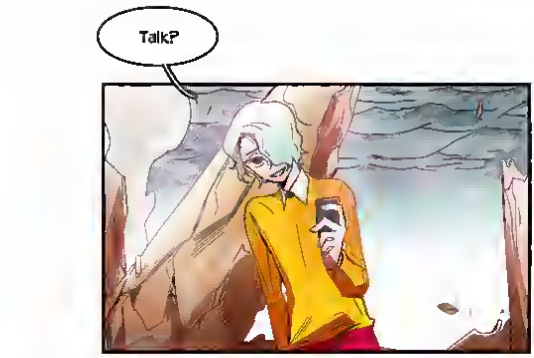
Fuhuhu.
Ha!



You fools don't even know how to use that human!

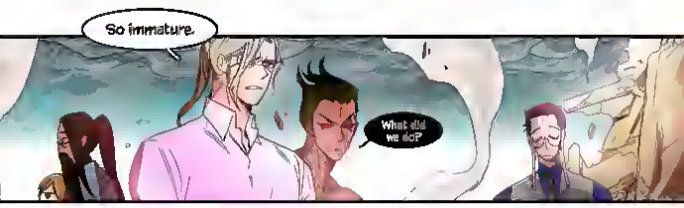
He's gone nuts.
What do we do?
You could have at least warned us about the meteors

Come on, Zeus. We can talk this out.
You guys also need a break.



Talk?

Did you just say "talk?"
At this point?
But you started it first!
You're the one who made me do this!



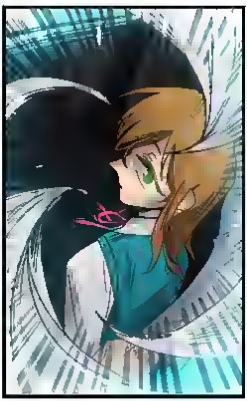
So immature.
What did we do?

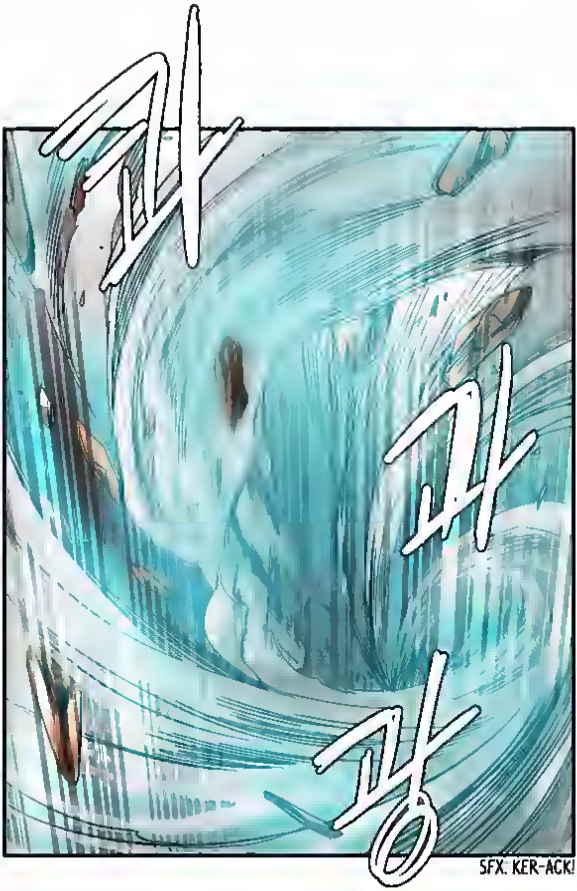
Whatever.
At least we can get rid of that human.

SFX: WHOOSH

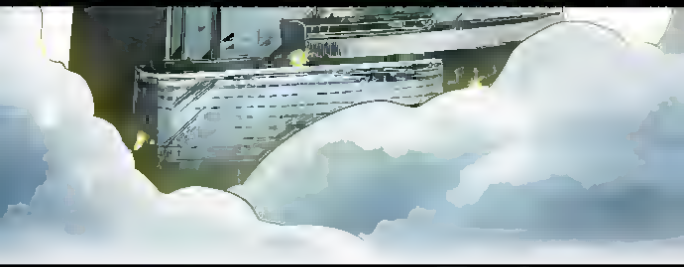
!!
!

SFX: ZOOOM!

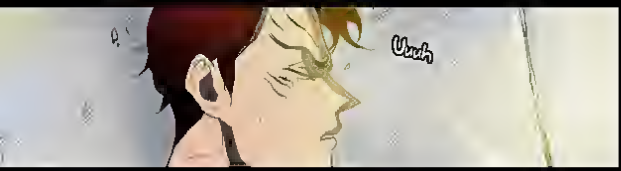




SFX: KER-ACK!



Okay?



Yeah, sure. Anyways, why's this guy groaning so much?

Can you listen for once?

I showed him his past life.

Why do you always hit me?

We can't go wild as long as Zeus has that girl.

Why not?

Wouldn't total destruction make things simpler?

We don't even know where she is.

I'll pick her up if I find her while I'm destroying things.

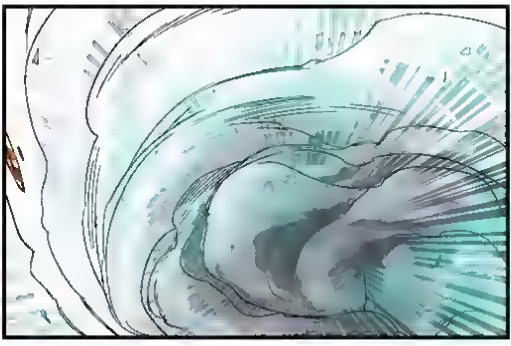
I don't have three eyes for nothing.

Sometimes I wonder if you are actually stupid or not.

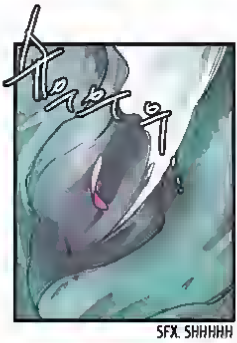
Huh?

Anyways,

until we rescue the girl...



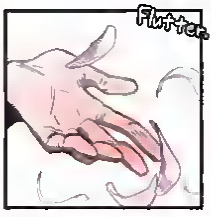
LET ME GO! I'M GOING TO DESTROY EVERYTHING!
You already did, calm down.
!



Ahhh!

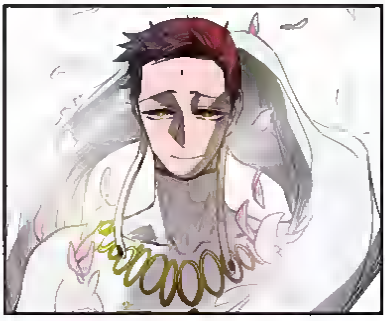
SFX. SHHHHH

SFX. DUN DUN!

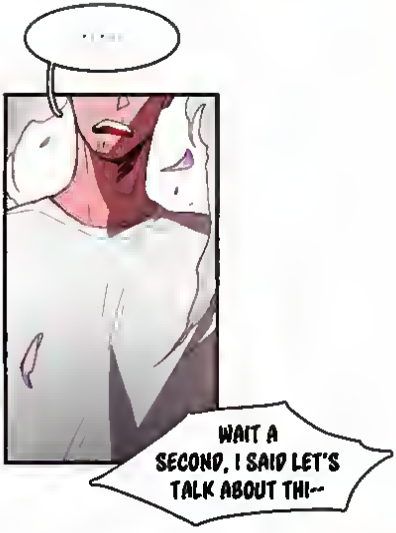


All right. You've really done it now.

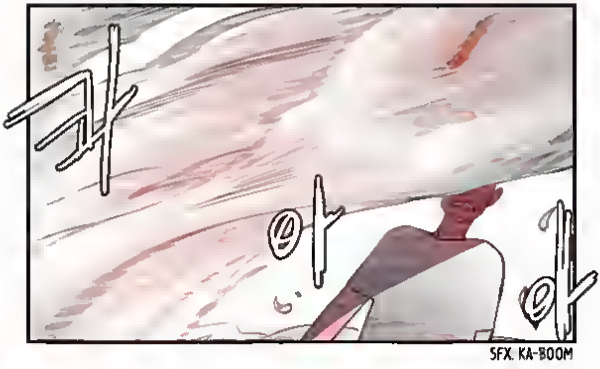
Hit us with whatever you want. It won't get past me.



That was close.



WAIT A SECOND, I SAID LET'S TALK ABOUT THI--



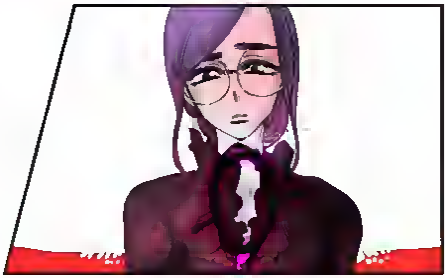
SFX. KA-BOOM

shhhhhh

OKAY. PLAY TIME'S OVER.

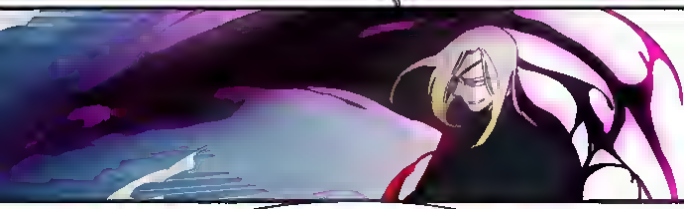
Oh, come on. I said there's no need to fight.

We are not here to fight. We are here...
...for revenge.



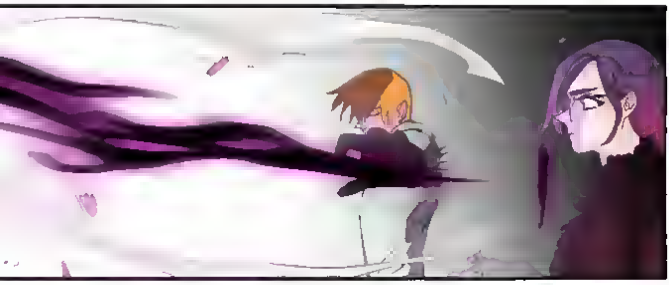
YOU HOLD ON TO GRUDGES LIKE A DAMN PYTHON!

That's what my wife likes about me!

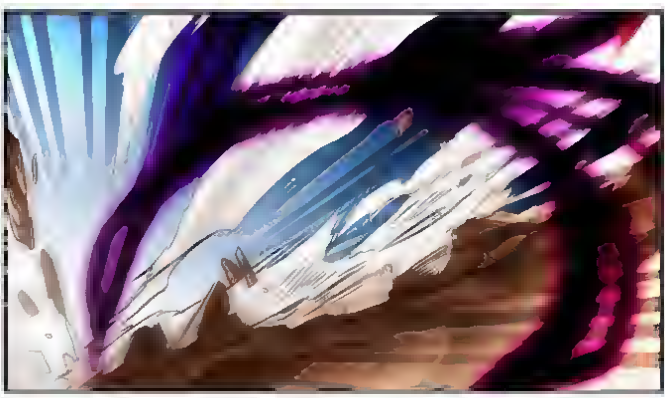


Gungnir again? That didn't work last tim—

!!



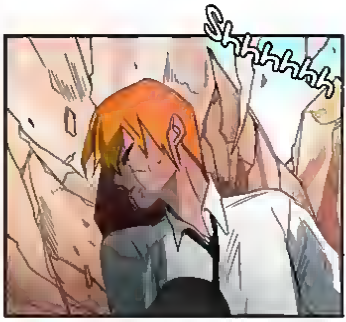
!!!



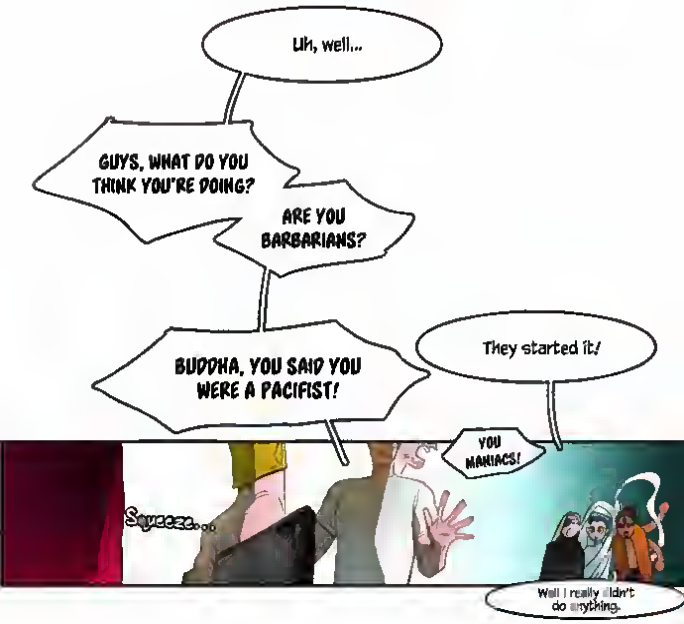
I told you I was going easy on you before.
Pretty harsh way to treat a woman. You really are a villain.
Oh, now it's my turn!

.....

..!

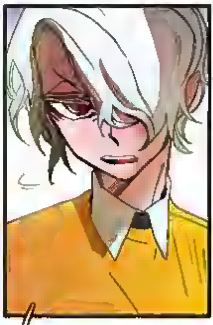


Shhhhhh



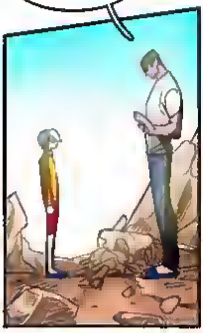
Uh, well...
GUYS, WHAT DO YOU THINK YOU'RE DOING?
ARE YOU BARBARIANS?
BUDDHA, YOU SAID YOU WERE A PACIFIST!
They started it!
YOU MANIACS!
Squeeze...
Well I really didn't do anything.

"Talk" my ass...



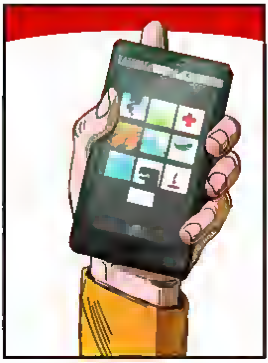
You were always like this; always treacherous.

Uh, listen...



No, Zeus, listen...

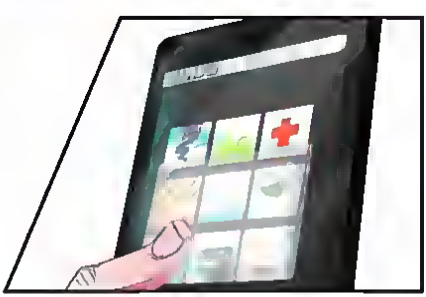
ㅎㅎ



All your apocalypse suggestions.

Hermes gave them to me.

So why don't you "talk" all you want?



Talk right through the apocalypse.

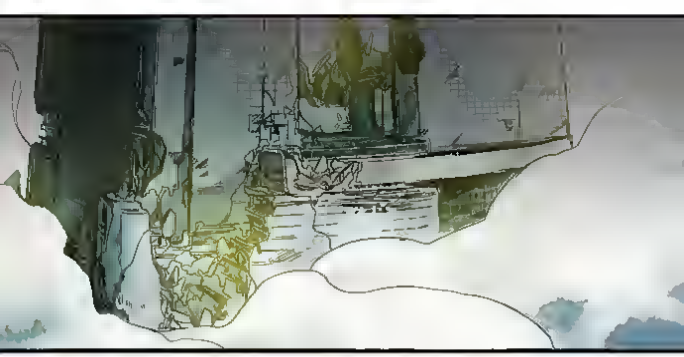
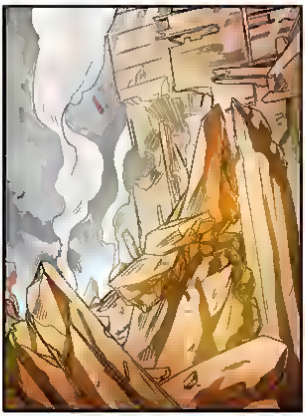
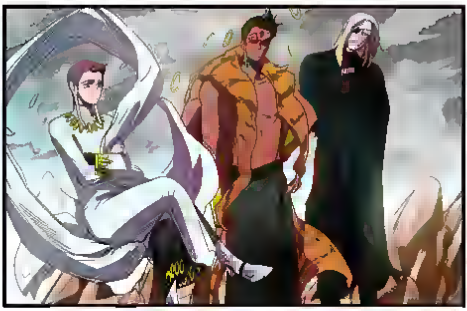
OH.MY GOD!

강지영 / 허니자

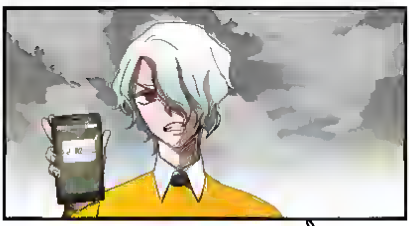






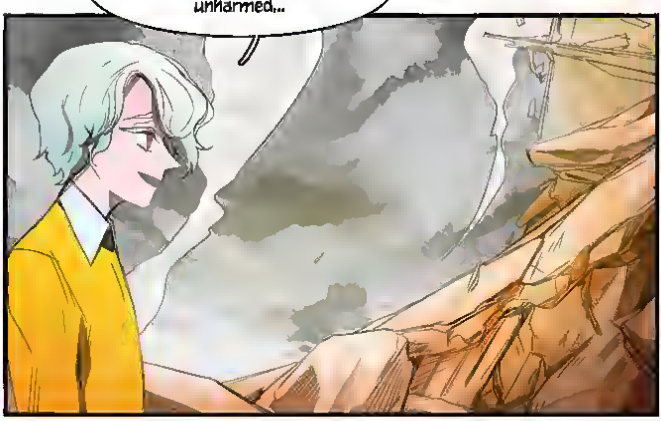
KKK

You know, you shouldn't just stand around.

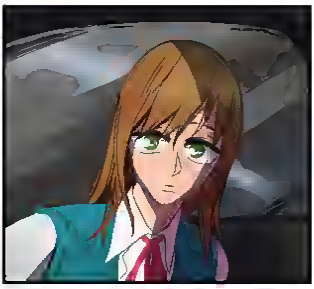


The timer's ticking.

The only way to get out of this situation unharmed...

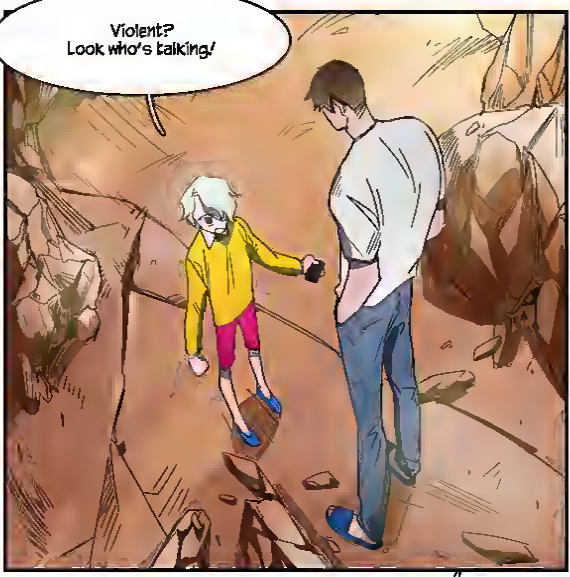


...is to leave the girl and run.

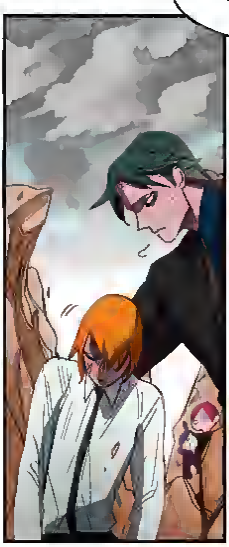


You've gotten pretty violent, huh? Well, I should have seen this when you destroyed my office.

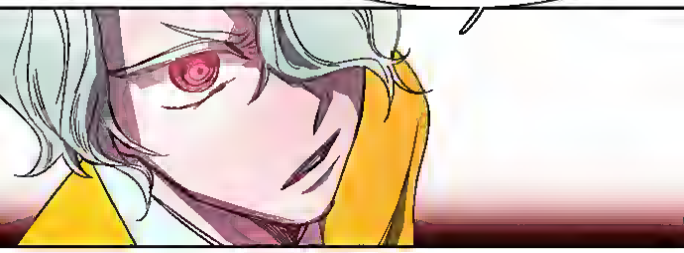
Violent? Look who's talking!



Yeah, anyways, what if we leave? What are you guys gonna do?

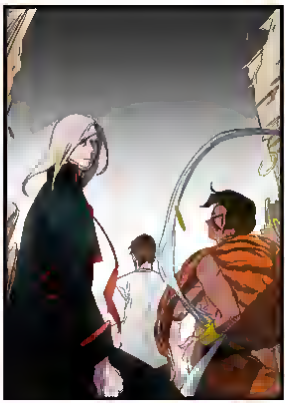


I can always hire new workers.

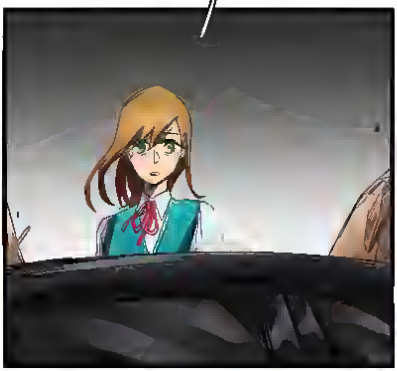


It's none of your concern.

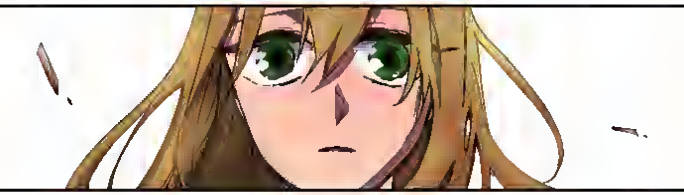
Excuse me.

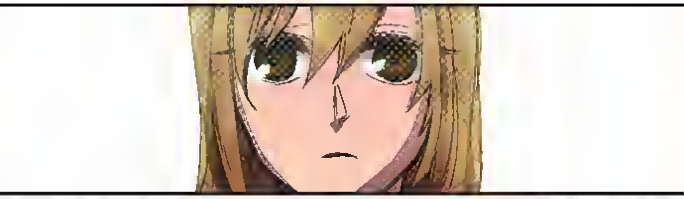


You can leave me here.

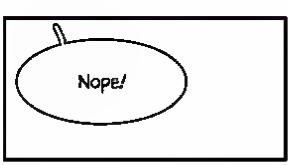


It's for the best anyways.





After all, I'm already dead.



Nope!

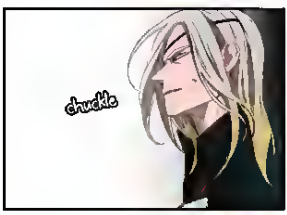
She's coming with us.
?!
?!

When did he...?

You know Zeus, you got too aggressive and lost that delicate touch.
That apocalypse switch ..
Huh?
Press

Did you even check if it works?

Hey.
You know that switch you lost? Can you use it more than once?
Of course not.
I just made it for the presentation. Only works once or twice.

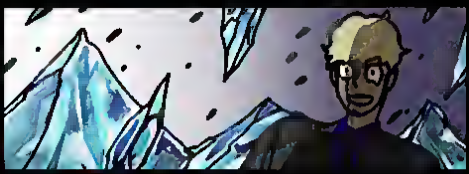


I don't understand...

...why you guys think my idea is bad.

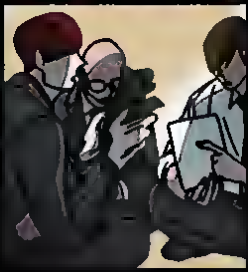
It's not practical.

You and I both know that you have to wait 200 thousand years to see an ice age.

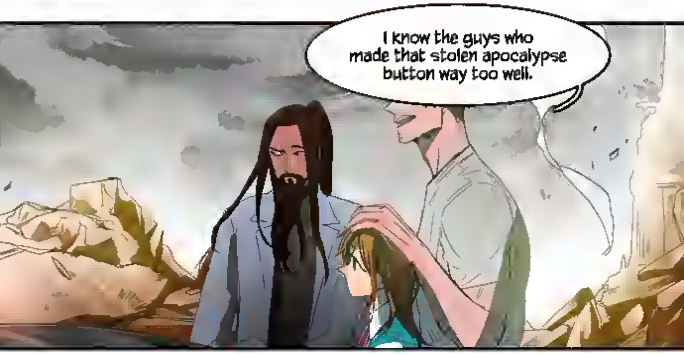


But, hey, in the olden days, wasn't there a guy who helped us during the Great Flood?

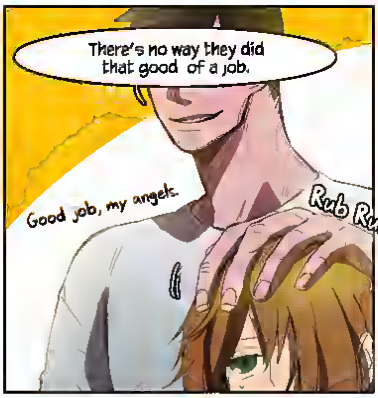
I wanted him to come, but his animal fur allergies were so strong, he had to take an early retirement.



From our apocalypse proposals?
That garbage?
You think there was anything useful there?
I'm the God of Wisdom. I know what's crap and what's not.
Oh, Yeah? So why can't figure that you're crap?



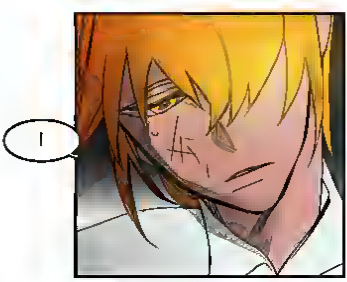
I know the guys who made that stolen apocalypse button way too well.



There's no way they did that good of a job.
Good job, my angels.
Rub Rub

That's not really something to be proud of...
Thank you for the Gentle Treatment Earlier.
Sweet Cheeks
Good ol' Cheeks you mean!

Of course...
...you'd know nothing about running a Company. You're always too busy being stubborn or screwing around.
...



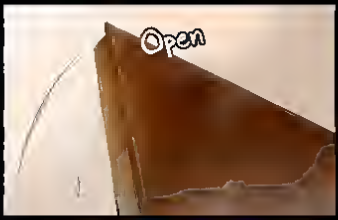
!

Ha.
Ha-ha-ha-ha.
YOU DON'T...
Lick
Smack!
...HAVE ANY RIGHT TO SAY THAT!

YOU BACKSTABBING BASTARD!

?

What is this?



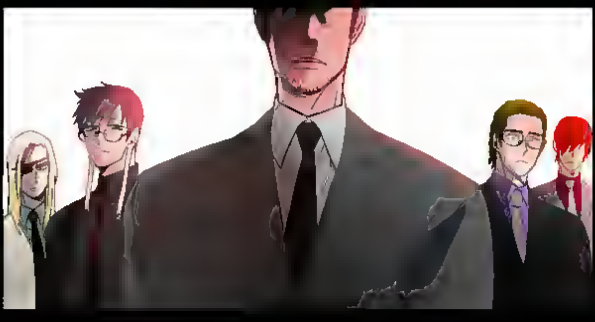
Open

?

Step
Step
Step

Your letter of resignation.

You're not the CEO anymore, Zeus.



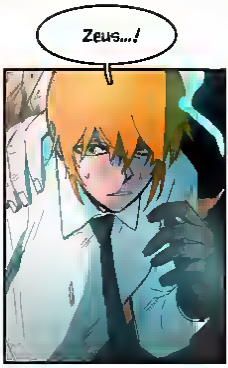
HOW DARE YOU...

...SAY THAT TO MY FACE?!

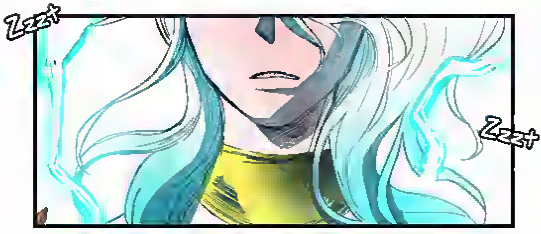
AFTER KICKING ME OUT LIKE THAT?!

SFX. KABOOM!

SFX. CRASH!



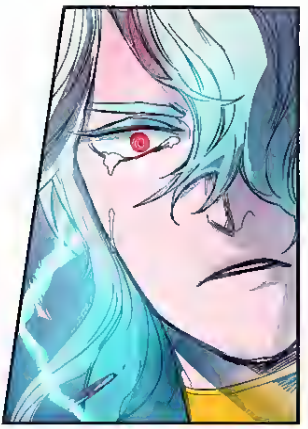
Zeus...!



Zzzt
Zzzt

Είμαι πραγματικά θυμωμένος
Now I'm really angry.
Zzzz

Friend.



SFX. ZZZZT

This is what I mean by being stubborn.

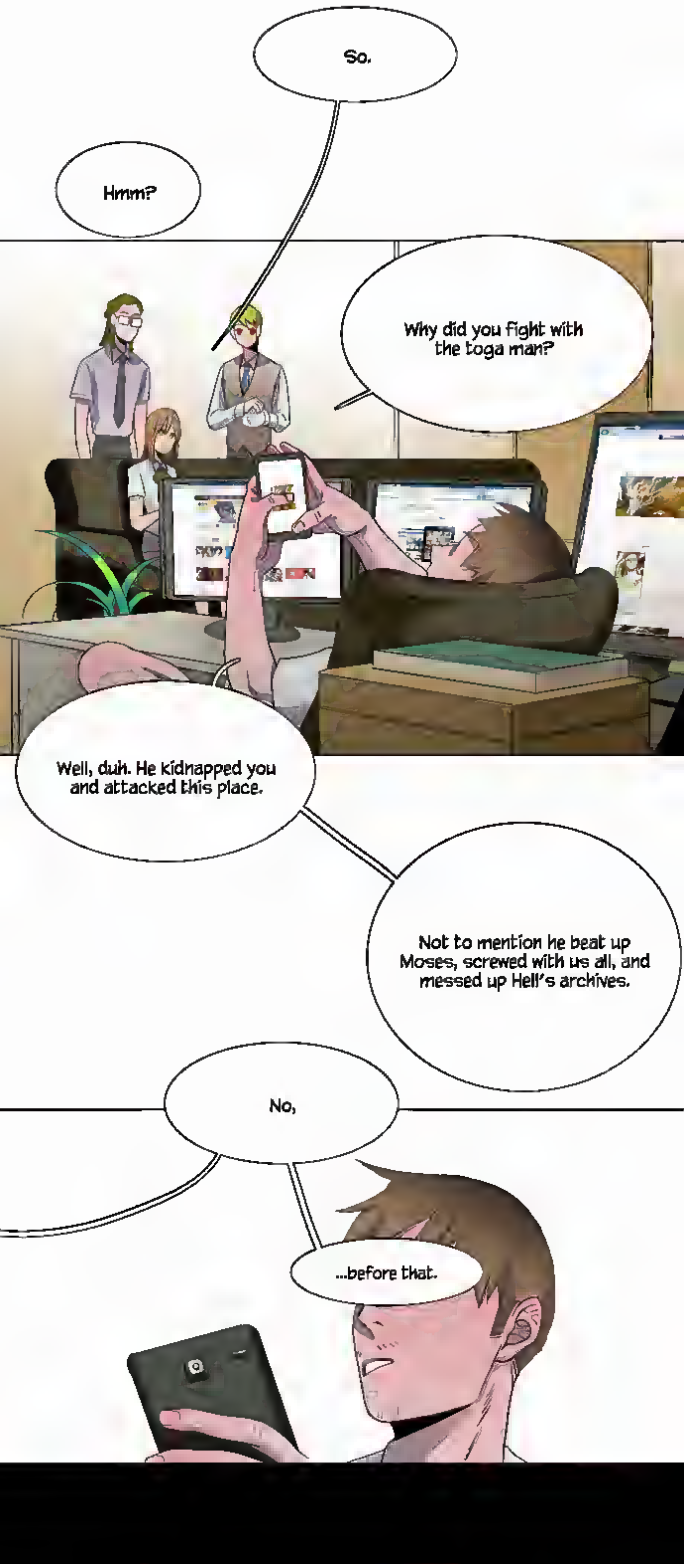
OH.MY.GOD!
허지영 / 현에지



So.
Hmm?
Why did you fight with the toga man?
Well, duh. He kidnapped you and attacked this place.
Not to mention he beat up Moses, screwed with us all, and messed up Hell's archives.
No,
...before that.

I can't believe we even need a Company to take care of them.

Aren't humans pathetic?

If we take our eyes off them for a second, all they do is start trouble.

And what a bunch of whiners, always asking us to do this and that.

Isn't that why they need us gods?

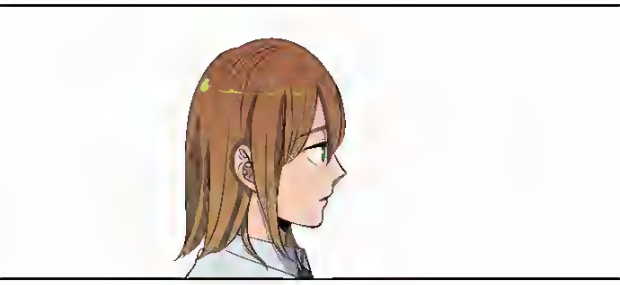
But I'm glad.
Pat
That I have a friend like you.
At least we think the same way, right?
Enough to start a business?
Right, buddy?

Hey,
I told you, we're short of workers.
Oh, can't you use your angels?
No. All those are already in different departments.
Do you want me to send some of my guys?
It's okay, but how about...
...we hire some humans?
!
They are quite useful
I mean, look at Moses or Noah.
Moreover...
Pffft
?
PWAHAHA! HUMANS?!
WHAT A JOKE! WHAT ARE YOU GONNA USE THOSE FOOLS FOR?!
Slap
Slap

ARE YOU GOING TO TELL THEM TO MAKE YOUR COFFEE?
WE ALREADY HAVE GABRIEL TO DO THAT!
ENOUGH WITH THE JOKES. WE'RE TOO BUSY FOR THIS.
Hahahahaha
Ha-ha
Ha
Why do you think we formed this company?
Place

You have the same attitude, right?

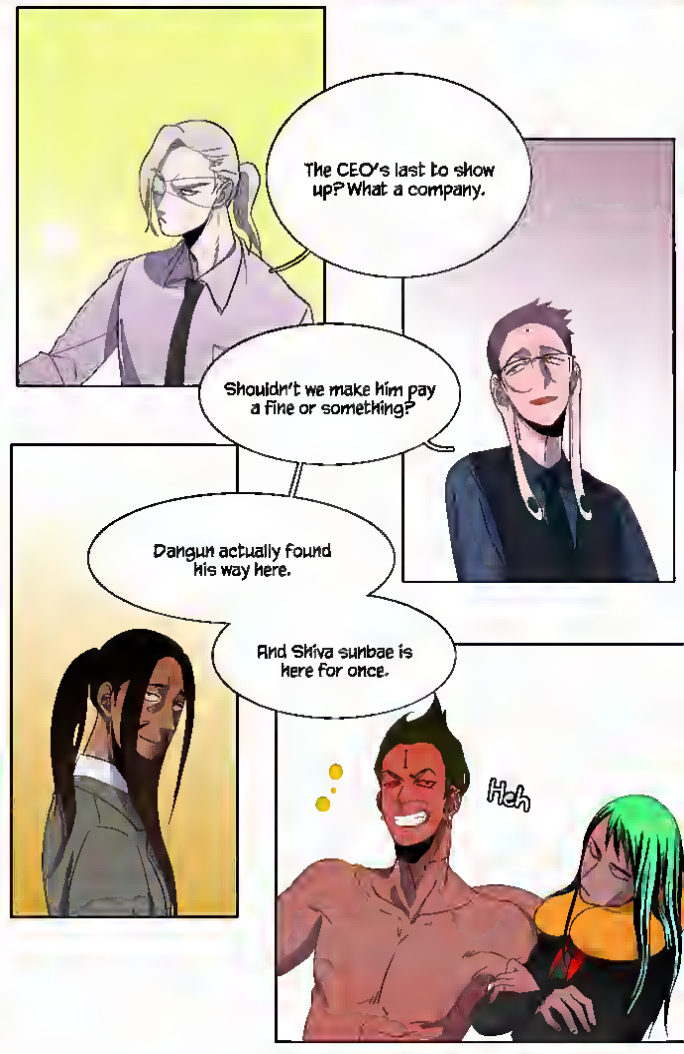
Hmm.
I wonder.



Knock Knock
Yeah?
Sir, it's me, Moses.
Come on in.

Sir,
we're ready for the meeting.
All right, all right.
Golly, how many meetings do we have to hold because of you?
!
Stretch
You cute little thing.
Don't just sit there, come along.
Thanks to you, we decided to cancel the apocalypse and start all over again.
So now, all my schemes to skip work are foiled.

Well,
I doubt those guys would have let me get away with it, anyways.



The CEO's last to show up? What a company.
Shouldn't we make him pay a fine or something?
Dangun actually found his way here.
And Shiva sunbae is here for once.
Heh

Geez, you guys are on time for once and you're complaining about me?

Anyways, let's start the meeting.

From the way you're changing the subject, you were probably gaming, weren't you?

I deny it

She was curious about my fantastic life.

I couldn't refuse a request from one of my dear sheep.

Fantastic life, my ass. All you do is sit around and do nothing.

No! Stop making things up!

All right, all right, enough fooling around.

HeaveN
Let's start the meeting.

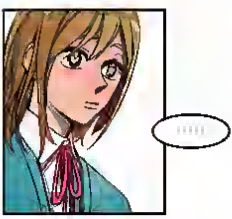
Hello. This is Kang Ji-Young, the writer of OH, MY GOD! After a recent set of events, I drew an epilogue for the series.

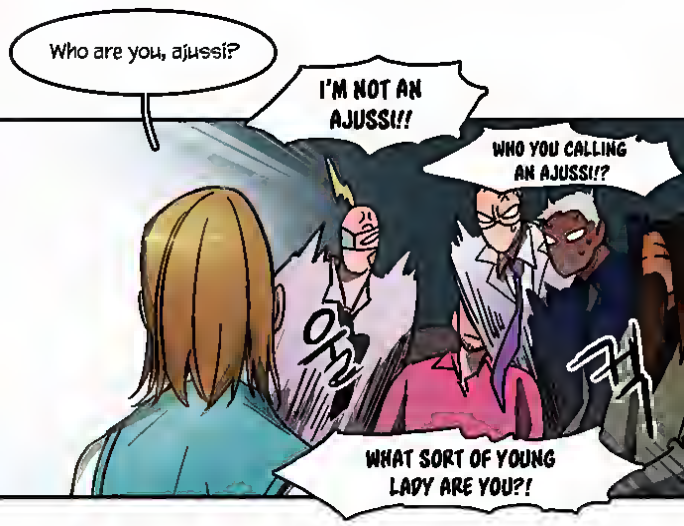
OH, MY GOD! became a webtoon through Naver's University Cartoon Contest. This is our first professional project, so it's very meaningful to us. This webtoon was chosen because of readers' interest, so your support was responsible for its success. We can never thank you enough.

During the project, we focused greatly bringing out the human side of the characters. They are friends and neighbors; they laugh, cry and fight over trivial things. We wanted to show a human side of the gods, who are supposed to be divinely magnificent.

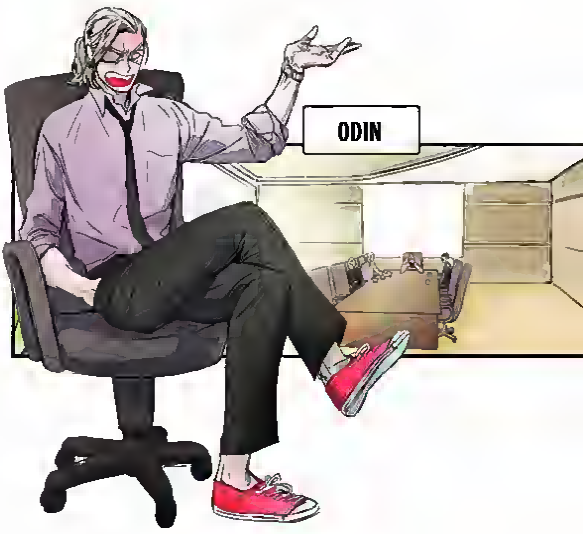
Due to this, the real human, the girl, plays an important role in the story.



The girl is the least humanlike character in the story. She is detached, unemotional, and extremely apathetic. We focused on humanizing the other characters to emphasize this theme.



Many elements of various religions and mythology appear in this webtoon. However, as we always state, this work is not related in any way to a specific religion or group. We simply incorporated religions and mythologies to create our characters.



We considered the myth in which Odin traded one of his eyes to gain wisdom from Mimir's Well of Wisdom, to create his character.

We took into account the concept that the world is Vishunu's dream; hence he is sleeping all the time.

Hermes's character was derived from his identity as God of Thieves and Emissaries. He acted as a thief and messenger for Zeus in the series.

I sincerely hope you found these concepts interesting.

We always thank you for your interest and support as well as your surprisingly accurate corrections.

We thank all of you for your kind help.

We also thank the workers of Heaven Company, who might exist somewhere.

-- Thank you for the finale fan art. --

We included fan art that was emailed to us.
